

# Fighting Words

*Words and music by Ellie Holcomb*

## *Verse 1*

Bb F  
Fear is like a broken record, same old songs of accusation play  
Bb F  
Like, "who are you to speak the truth, just look at all your failures and mistakes"  
Dm Bb C  
And "if they really knew you, there's no way they could love you anyway" Ohhh

## *Chorus*

F Bb F Bb  
I will fight the lies with the truth, ohh, keep my eyes fixed on You  
Bb Dm C Bb F  
I will sing the truth into the dark, I will use my fighting words  
Bb F Bb  
Ohhh, fighting words, ohhh

## *Verse 2*

Bb F  
The enemy keeps talking, telling me to hide my face in shame  
Bb F  
Whispering that everything I've done will drive the Father's love away  
Dm Bb C  
Saying, "It's too late for hoping that something in your heart could ever change"

***Chorus***

F                      Bb                      F                      Bb  
I will fight the lies with the truth, ohh, keep my eyes fixed on You  
Bb                      Dm                      C                      Bb                      F  
I will sing the truth into the dark, I will use my fighting words  
Bb                      F                      Bb  
Ohhh, fighting words, ohhh

***Bridge***

Bb                      C                      Dm                      F  
My debt is paid, I've been set free and You gave Your life up to rescue me  
Bb                      C                      Dm                      F  
You say that I am worth fighting for and grace is like waves that keep crashing  
Bb C  
On the shore

***Chorus***

F                      Bb                      F                      Bb  
Fight the lies with the truth, ohh, keep my eyes fixed on You  
Bb                      Dm                      C                      Bb                      F  
I will sing the truth into the dark, I will use my fighting words  
Bb                      F                      Bb  
Ohhh, fighting words, ohhh  
Bb                      Dm                      C                      Bb                      F  
I'm so tired of forgetting what I'm worth, so I will use my fighting words
