CHORD SHEET

Chorus

That your love will never change, that there's healing in your name
And that you can take broken things and make them beautiful
You took my shame and you walked out of the grave
So your love can take broken things and make them
Beautiful and make them beautiful

Bridge

You say that you'll turn my weeping into dancing
Remove my sadness and cover me with joy
You say your scars are the evidence of healing
That you can make the broken beautiful

Chorus

'Cause your love will never change, and there's healing in your name
And you will take broken things and make them beautiful
You took my shame and you walked out of the grave
So your love can take broken things and make them
Beautiful and make them beautiful
and make them beautiful you make us beautiful you make us beautiful
